

ROOM GUIDE

Let us help you pick your PERFECT ROOM!

With so many room to choose from, picking the perfect room for your vacation can be an overwhelming task. We want to help you pick the right room for you.

You can begin by picking the zone that suits you. The beach zone is well suited for those who are crazy about the beach! The lagoon pool zone is for those who plan to use our gorgeous pool often. We have one of the largest swimming pools in South East Asia so being close to it is a big plus! Finally the hillside ocean facing zone are for those who want the most breathtaking views possible. The zone is also accessed by our jungle cable car. Exciting?

Once you pick your preferred zone, you can proceed to picking your perfect room! We have made a great room comparison chart for you on the right for you to compare the benefits and tradeoffs of each room type. Enjoy!
